

Watsonstown Borough Council  
Special Meeting  
April 23, 2015

**OPENING:** The April 23, 2015 Special Meeting of the Watsonstown Borough Council was called to order by Council President Harriet Miller at 7:00 PM.

**MEMBERS PRESENT:** Members present: Harriet Miller, Ralph Young, Dan Folk, Janet Rump, Harry Hefty arrived at 7:20 PM, Mayor David Hontz and Borough Manager Edie Moser. Jack Marshall was absent.

**VISITORS:** Marty Sowers (Light-Heigel).

**INTERNATIONAL PROPERTY CODE:** At this time Council discussed the International Property Code with Marty Sowers from Light Heigel. Several questions were asked.

If a building is condemned how long is it before something can be done? Marty said Council could write something into an ordinance as to the specific number of days.

The question was asked about several properties in town. Marty said he will be glad to come with Jeff Kanezo and take a look at the various properties that Council has concern with.

The question was asked concerning the adoption of the code. Marty said most municipalities adopt the entire code. If the municipality has ordinances concerning specific things they could insert them into the proper place in the code.

After much discussion, the Council decided they will ask Ryan and Edie to work together to prepare an ordinance for Council's review.

**ADJOURNMENT:** There being no further business to come before the Council, there was a motion by Janet Rump, seconded by Dan Folk to adjourn at 7:50 PM.

Respectfully submitted,

Edie Moser  
Borough Manager
