A NOTE FROM YOUR BOROUGH MANAGER

Out of an abundance of caution and in an effort to keep everyone safe during the Coronavirus epidemic, we have decided to **close the lobby of the Borough Office effective Wednesday, April 1st.**

The office hours will remain the same and we will do our very best to continue to serve the needs of our residents during this time but hope to limit personal contact as much as possible. Please utilize the US mail or the drop box for electric payments this month if you can and feel free to call us for other needs or concerns.

Also, please let us know if you need some extra ordinary help during these extra ordinary times. Whatever it might be, don't be afraid to ask, we're all in this together and we'll get through it together.

Lastly, due to the current situation we have decided to close 8th Street Park and Memorial Park effective April 1st. We know this is tough on the kids but during the epidemic we must err on the side of caution and public safety.
