**The Watsontown Farmer's Market**

Hello Watsontown!

Have you been to the Farmer's Market that is so cool? You'll be able to find it in the field that used to hold the pool.

It's behind Sunoco on the South side of town, So don't go farther South until you've stopped down.

There will be new signs around, directing you to it.

So you can swing in, browse and shop a bit.

There are vendors showcasing things from tie dyes to whoopie pies, to lettuce, beets, onions, radishes and all sorts of veggies that salads can be made of. There are homemade breads, bagels, and flower bouquets made for you to take to your love!

We have coffee with a Wagging Tail and more flavors of it than you can hail!

There is cheesecake each week and new vendors to meet. We're growing larger so don't miss out on this opportunity to get out, meet and support the vendors of our great community!

**VENDORS WANTED!!!**

If you have homemade, handmade or home grown items to sell, we'd love to have you join the market; just give Jay at the Borough office a yell!

There is no fee or paperwork required, but again, it must be handmade, homemade or homegrown to be considered.

We'd love to see you all as vendors or shoppers each Saturday 9 to 1 so come on down and have some fun!

Speaking of fun, if anyone would like to perform or bring a sound system, we'd love to have you showcase your talents and provide some entertainment while we shop!
