We know it's February but we're thinking of sunshine, warm weather, and the Watsonstown Farmers' Market in the Park. Our first year was a huge success in spite of the pandemic and we are excited to see what 2021 will bring for the market. Anyone interested in becoming a vendor should contact the Borough Office to register. All are welcome with the only requirement being that whatever you plan to sell must be home made, home grown, or hand made. Come grow your business as we grow our market.
