

WATSONTOWN BOROUGH TREX RECYCLING PROGRAM

The Borough of Watsonstown has registered to participate in a recycling program through Trex that begins now and runs through March 31, 2023 and we need your help. If we are able to collect 500 lbs of plastic film and bags we will receive a Trex park bench. Items everyone has at home like grocery bags, Ziplock storage bags, and bread bags are just some of the qualified recyclables that we will be collecting. A complete list is below and a convenient drop off container is located in the lobby of the Borough office and accessible at all times. Other local communities and groups have had great success with this program and with your support Watsonstown will too. If you have any questions please feel free to give us a call at 570-538-1000.

What can be recycled?

- Pallet wrap and stretch film
- Grocery bags
- Bread bags
- Case overwrap
- Dry cleaning bags
- Newspaper sleeves
- Ice bags
- Wood pellet bags
- Ziplock and other reclosable food storage bags
- Produce bags
- Bubble wrap and air pillow
- Salt bags
- Cereal bags

All plastic must be clean, dry and free of food residue
